

SMALL & SPECIALTY POULTRY FLOCKS FEEDING GUIDE

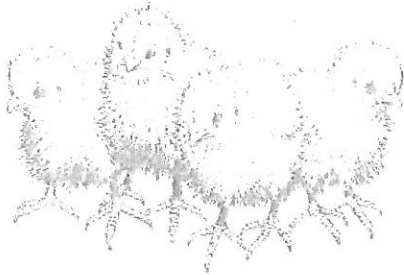

NEARLY 100 YEARS OF EXPERIENCE IN ANIMAL NUTRITION

Milled in the U.S.A - 100% Money-Back Guarantee

Southern States® Poultry Feeds are formulated to meet university and breed guidelines. Feeds are available in crumbled or pelleted form. When possible, our feeding program combines feeding recommendations for like-type species. Primalac, a direct fed microbial, as well as a coccidostat, are added to selected feeds for the prevention of disease and stress. The Southern States All Grain line of poultry feeds are natural formulations with added vitamins, minerals and amino acids - all essential nutrients for healthy birds. These eco-friendly poultry diets are highly digestible and nutritious, as well as free of antibiotics, animal proteins and animal fats.

EGG LAYING FLOCKS (BREEDERS, LAYERS AND PULLETS)

For starting and growing breeders, layers or pullets for white and/or brown egg production, we recommend:

HATCH - 16 WEEKS:

All Grain Start-N-Grow (crumbles)

523-50072 • 18% protein - 3% fat - 5% fiber

Tradition Start & Grow (Amprol) Medicated (crumbles)

523-60071 and 523-60011 • 18% protein - 2.5% fat - 6% fiber

16 WEEKS THROUGHOUT EGG PRODUCTION CYCLE:

All Grain Poultry Layer/Breeder (pellets/crumbles)

523-52011 and 523-52071 • 16% protein - 3.5% fat - 5% fiber

Tradition Egg Layer (pellets/crumbles)

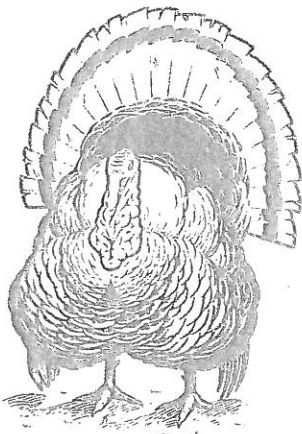

527-11011 and 527-11071 • 16% protein - 3% fat - 6% fiber

Super Breeder (crumbles)

523-61071 • 21% protein - 4% fat - 6% fiber

MEAT PRODUCING FLOCKS (BROILERS AND TURKEYS)

For starting and growing broilers and turkeys for meat production, we recommend:
